may be used to inform interested members of the public of advisory committee meetings.

§ 16.10 Minutes and transcripts of meetings.

(a) Detailed minutes of each advisory committee meeting shall be kept. The minutes shall reflect the time, date and place of the meeting; and accurate summary of each matter that was discussed and each conclusion reached; and a copy of each report or other document received, issued, or approved by the advisory committee. In addition, the minutes shall include a list of advisory committee members and staff and full-time Federal employees who attended the meeting; a list of members of the public who presented oral or written statements; and an estimated number of members of the public who were present at the meeting. The minutes shall describe the extent to which the meeting was open to the public and the nature and extent of any public participation. If it is impracticable to attach to the minutes of the meeting any document received, issued, or approved by the advisory committee, then the minutes shall describe the document in sufficient detail to enable any person who may request the document to identify it readily.

(b) The accuracy of all minutes shall be certified to by the chairperson of the advisory committee.

(c) Minutes need not be kept if a verbatim transcript is made.

§ 16.11 Annual comprehensive review.

(a) The Commission shall conduct an annual comprehensive review of the activities and responsibilities of each advisory committee to determine:

(1) Whether such committee is carrying out its purpose;

(2) Whether, consistent with the provisions of applicable statutes, the responsibilities assigned to it should be revised;

(3) Whether it should be merged with any other advisory committee or committees; or

(4) Whether it should be abolished.

(b) Pertinent factors to be considered in the comprehensive review required by paragraph (a) of this section include the following:

16 CFR Ch. I (1–1–97 Edition)

(2) The number of reports or recommendations submitted by the committee;

(3) An evaluation of the substance of the committee's reports or recommendations with respect to the Commission's programs or operations;

(4) An evaluation (with emphasis on the preceding twelve month period of the committee's work) of the history of the Commission's utilization of the committee's recommendations in policy formulation, program planning, decision making, more effective achievement of program objectives, and more economical accomplishment of programs in general.

(5) Whether information or recommendations could be obtained from sources within the Commission or from another advisory committee already in existence;

(6) The degree of duplication of effort by the committee as compared with that of other parts of the Commission or other advisory committees; and

(7) The estimated annual cost of the committee.

(c) The annual review required by this section shall be conducted on a fiscal year basis, and results of the review shall be included in the annual report to the GSA required by § 16.15 of this part. The report shall contain a justification of each advisory committee which the Commission determines should be continued, making reference, as appropriate, to the factors specified in paragraph (b) of this section.

Any advisory committee shall automatically terminate not later than two years after it is established, reestablished, or renewed, unless:

by appropriate action of the Commission and the filing of a new charter. An advisory committee may be continued by such action for successive two-year periods.

(b) Before it renews an advisory committee in accordance with paragraph (a) of this section, the Commission will inform the Administrator by letter, not more than sixty days nor less than thirty days before the committee expires, of the following:

The Commission shall cause a new charter to be prepared and filed in accordance with the provisions of §§ 16.5 and 16.6 of this part.

(d) No advisory committee that is required under this section to file a new charter for the purpose of renewal shall take any action, other than preparation and filing of such charter, between the date the new charter is required and the date on which such charter is actually filed.

§ 16.14 Amendments.

(a) The charter of an advisory committee may be amended when the Commission determines that the existing charter no longer accurately describes the committee itself or its goals or procedures. Changes may be minor, such as revising the name of the advisory committee, or may be major, to the extent that they deal with the basic objectives or composition of the committee.

(1) To make a minor amendment to an advisory committee charter, the Commission shall:

(i) Amend the charter language as necessary; and

(ii) File the amended charter in accordance with the provisions of § 16.6 of this part.

(b) Amendment of an existing charter does not constitute renewal of the advisory committee under § 16.13 of this part.

§ 16.15 Reports of advisory committees.

(a) The Commission shall furnish, on a fiscal year basis, a report of the activities of each of its advisory committees to the GSA.

(b) Results of the annual comprehensive review of the advisory committee made under § 16.11 shall be included in the annual report.

(c) The Commission shall notify the GSA, by letter, of the termination of, changes in the membership of, or other significant developments with respect to, an advisory committee.

§ 16.16 Compensation.

(a) *Committee members.* Unless otherwise provided by law, the Commission shall not compensate advisory committee members for their service on an advisory committee. In the exceptional case where the Commission is unable to meet the need for technical expertise or the requirement for balanced membership solely through the appointment of noncompensated members, the Commission may contract for or authorize the advisory committee to contract for the services of a specific consultant who may be appointed as a member of the advisory committee. In such a case, the Commission shall follow the procedures set forth in paragraph (b) of this section.
